A message from the Headteacher

Welcome to our Autumn two 2019 Newsletter.

We had an exciting start to Tottenham Hotspur Foundation delivering PE to our Year 1 and 2 classes at the Tottenham Sports Centre as well as PE lessons incorporated with English for our Year 5 and 6 Pupils. Year 3, 4, 5 and 6 boys have started their swimming lessons and found it very beneficial as one of our pupils commented 'it was the best swimming session I had and made such progress'. Reception class has started an introduction to Forest school, and we are planning more exciting sessions Insha Allah.

Watch Space!

We had Anti-Bullying Week where children were informed about bullying and children participated in a range of activities to raise awareness; children also learned about Islam's stance on bullying. I believe that we must start by affirming our intention as being solely for the pleasure of Allah. I thank you for entrusting your children to us and pray that, as a team, we can help our children to be good British Muslims.

Year 3 and 4 have visited the Science Museum on the 5th of December 2019 as part of their "Light topic" in Science. Children loved it. They have written recounts about their trip, and that would be posted in the next Newsletter Insha Allah

The Ayah of the week

وَأَقْصِدْ فِي مَشِيكَ وَأَغْضُضْ مِنْ صَوْتِكَ إِنَّ أَنْكَرَ الْأَصْوَاتِ لَصَوْتُ

الْحَمِيرِ ١٩

Be moderate in your pace and lower your voice; for the harshest of voices is the braying of a donkey

What goes in my lunchbox?

As part of our whole school healthy living initiative, children and parents are reminded that we are a water only school. Please provide your child(ren) with plenty of water.

We recommend pupils to bring: Sandwiches or wraps, fruits, vegetables, dairy products and water

End of Term assembly

We will be having our end of term assembly on Wednesday 18th December where children in all years will be performing a performance on a given Islamic topic. All parents and carers are invited and information about the time and place of the assembly will be given nearer to the time.

School fees and fruit fees

Parents must pay all school fees which are due to be paid and should be up to date with all their payments. Parents are reminded to also pay the termly fee of £12.00 per child for the fruits that their children are given.

MA SHA ALLAH! To our weekly Stars, Readers and Handwriting Heroes of the Week! These are some of our great achievers! Keep on striving on continue the great work!

Alhamdulillah a SUCCESS with parent's coffee Mornings. As a school we are embarking on mastery mathematics. **Mastery** is based on the idea of children not moving on until they are secure in their understanding of a particular concept. The whole class is taught the same thing, at the same time, with children learning at an appropriate level through support and enrichment. Parents have been introduced to these methods and ideas to help their at home.
