Assalamu Aleykum Parents and Corers,

We are excited to inform you that the school is offering a work experience program for Year 6 students in the week beginning Monday, 12th, 2023, for two weeks.

During this experience, your children will have the opportunity to gain valuable hands-on experience and develop essential life skills by shadowing and working alongside school staff. They will engage in various roles and tasks within the school, which will help them explore the world of work.

The work experience aims to give your children a deeper understanding of different aspects of work life. We believe this experience will be an enriching and valuable opportunity for your children to explore their interests, enhance teamwork, and develop problem-solving skills.

If you have any questions or require further information, please do not hesitate to contact us.

We appreciate your support and look forward to witnessing the positive impact of this work experience program on your children.
