You will note that there is no writing test. Teachers complete the assessment, which is based on children's writing throughout the year.

How you can help your child prepare for the test

The best help is interest taken in learning and progress.

- Practise the suggested spellings (given in class) regularly to secure the spelling rules.
- Revise concepts daily
- Don't put children under too much pressure
- Minimise screen time
- Remind your children that writing can be practised and assessed across the curriculum not just in English lessons.

Ensure children arrive for tests:

- In good time
- Having had breakfast
- Having gone to bed at a reasonable time (9 o'clock at the latest)

If you have any concerns or would like to discuss these arrangements, please speak to us at the drop-off or pick-up times

Jazak Allah Kheiran for your support.
