

Reading Cafe

Our next Reading Cafe is

Come have a drink and
enjoy a book with your child!

Thursday 10th October 2024

Assalamu Aleykum Parents and Cares,

We believe in a strong partnership between parents and the school, so we will run various cafes and workshops for parents to attend.

We will also run a Reading Club in which each class will participate. We will invite parents to come and read their favourite book to the class and spend time with you in book-inspired activities. The activities will range from information gathering to inference and deduction and simply reading for pleasure with your child.

Each Class will send details of the cafe times and dates by Dojo.

In addition to this, we will also have Safeguarding, Phonics, Spelling, Timetable, and SATs workshops for parents to support their child/ren further.

Parents will receive Class Dojo and a letter with dates and focus for the academic year 2024-2025.
