A Message from The Headteacher

As we enter the 2024-2025 academic year at Assunnah Primary School, we are thrilled about the opportunities and experiences that lie ahead for our students. Insha Allah, we aim to fill with an engaging new thematic curriculum which will enhance the achievement of our pupils. Our dedicated staff are committed to nurturing each child's potential, fostering resilience, and creating an environment where every student can thrive academically and personally. Together, with the support of our wonderful school community, I am confident we will make this year truly remarkable for all.

Geography Week

We are delighted to share the success of the orienteering activity during Geography Week at the start of the term. The children thoroughly enjoyed applying their map-reading skills and navigating the fields. It was wonderful to see their enthusiasm as they worked together, problem-solved, and embraced the challenge of finding their way. This hands-on activity brought geography to life and fostered teamwork, resilience, and a love for the outdoors. Thank you for your continued support in helping us create such enriching experiences for our students. We plan to do it better next year. Insha Allah

Curriculum Themed Topics Trips

As part of our commitment to providing a rich and engaging educational experience, we believe that trips are vital in bringing our themed curriculum to life. These carefully planned trips allow students to connect their classroom learning with real-world experiences, deepening their understanding while fostering curiosity and critical thinking. Beyond academic enrichment, trips also nurture social skills, cultural awareness, and a sense of teamwork.

The Spoken Word Competition winners added another highlight, reminding us of the remarkable talents within our school community. We are incredibly proud of our teachers, and students and grateful for your continued support in their educational journey.

Assunnah Early Years

We also share how our Early Years setting thrives! From fostering a love for reading through quality books to planning outstanding activities inspired by these stories, our children grow in confidence, creativity, and curiosity daily. With a dedicated team and a rich, stimulating environment, we are proud to see our young learners flourish academically, socially, and emotionally. We are deeply grateful for your continued support in this exciting journey!
