Assalamu Aleykum, Parents and Carers,

We are pleased to announce that the school will be offering a work experience program for Year 6 students from Monday, 1st June, to Friday, 12th June 2026.

During this work experience, your child will have the opportunity to gain valuable practical experience and develop essential life skills by shadowing and collaborating with school staff. They will assume various roles and responsibilities within the school, thereby gaining experience in the professional environment.

This work experience is designed to provide your child with a comprehensive understanding of different facets of working life. We firmly believe that this experience will be an enriching and beneficial opportunity for your children to explore their interests, foster teamwork, and enhance problem-solving skills.

We appreciate your support and look forward to seeing the positive impact this program has on your children.

Please return the signed slip by 30th May 2026
